

Lisa Lynn Reed

December 17, 1964 - August 3, 2021

Lisa Lynn Reed was born to Betty Lou Hobbs and Arthur Reed, the sixth of eight children to Betty. She was a hard worker her entire life, despite hearing loss and other challenges, and spent her entire life always taking care of her mother and others. She gave with an open heart and was a friend to all. She was very loved by her mom and family and was rudderless when her mom, her rock and safe-keeper, passed in 2014. She finally found joy again in meeting Joey, whose companionship provided the happiness she had always sought.

Her kind heart and beautiful smile that lit up a room will be missed from this world that is a little duller without her shine. Heaven gained the brightest angel who is looking forward to getting to run around with her mom again looking for some good garage sales. She is survived by her husband, Joey Mandal of Bartlesville, OK, her wonderful step-father, Ricky Williams of Midwest City, OK, big brothers Tinker (Mary) Reed of Ohio and Jesse (Nita) Reed of Oklahoma City, big sisters Norma Thomas and Patsy (Michael) Wiegert of Harrah, OK, big sis Carol (Barney) Loyd of Midwest City, OK, youngest sisters Gigi (Orvil) Slowey of Midwest City, OK and Nancy (Michael) Davis in Celina, TX, and her aunts Selma Mellow and Joyce Carta of Eagle Pass, TX, plus numerous nieces and nephews, and great nieces and nephews, and cousins galore who will greatly miss her. Give momma a big hug from all of us.

Services will be held at St. Phillip Neri in MWC at 10 a.m. on August 7th.

Services are under the direction of Carter Davis and the Davis Family Funeral Home & Crematory – Walker Brown Chapel. Online condolences and remembrances may be shared at www.DavisFamilyFuneralHome.com.
