“ I was blessed to be able to spend time with Lonnie before he passed. It had been many many years since I had last seen him. We had good visits and talked about "old times", and it was quite a shock when I heard the sad news. Rest in peace Lonnie, you are loved and will be missed.. class of 67 rocked!

“ Lonnie was a wonderful friend to me , we had a lot of fun running around acting like fools, alot of people didn't get to see the side of Lonnie like I did he was a kind and gentle man with a big heart, Lonnie has help alot of people but no one knew it and that's how he wanted it.Until I see you again my friend I will miss you.

“ Lonnie and I started the 1st grade at Copan and graduated in 1967. He came across as a tough guy, but he had a good heart. A few years a group of our 1967 graduates started meeting at the Copan Truck Stop once a month for lunch. We laughed, told stories and remembered our old days. It was fun and we all enjoyed this time. RIP my friend. Love you, Brenda (Roth) Farmer
