

Lorraine Avis Plummer

December 8, 1939 - February 5, 2025

Lorraine Avis Plummer was born to Mr. Vernon C. Kahre and Ethel Ward Kahre on December 8, 1939, in Colorado Springs, Colorado. She was promoted to her heavenly reward on February 5, 2025, in Bartlesville, Oklahoma.

She received her early schooling while living in Colorado Springs attending a private church sponsored school. During high school she attended a Christian academy operated by the Pilgrim Holiness Church. Her college education was taken at Central Pilgrim College, now known as Oklahoma Wesleyan University in Bartlesville, Oklahoma.

Lorraine was much involved in that ministry in teaching children's Sunday School classes, leading the midweek children's organization, assisting musically in the worship services in playing the piano or singing, along with the many other responsibilities that tend to fall upon the pastor's wife. She was a loving, loyal, and faithful companion and a wonderful asset to their ministry. She was a committed Christian and a faithful follower of her Lord Jesus Christ. Upon her husband's retirement the couple moved to Bartlesville,

Oklahoma, in May of 1998 where she was residing at the time of her passing.

She was preceded in death by both of her parents, her younger sister Muriel (Kahre) McNutt, and her older brother Alfred Kahre.

Lorraine was the mother of three children: Vernon, Myrna, and Stephen.

She is survived by her husband, Garry D. Plummer; her three children, Vernon Plummer and his wife Norma, Myrna King and her husband Gerald, Stephen Plummer and his wife Korie; seven grandchildren, Chantel White and her husband Zeb, Mariah Cooks and her husband Steven, Desirae Schoeppey and her husband Isaac, Keegan King and his wife Kayla, Kieran King and his wife Joy, Blair and Nathaniel Plummer; nine great-grandchildren, Aliyah, Evryn and Zayne Cooks, Cambria, Demri, and Avril White, Graylyn and Walker Shively and Bailor Lorraine Schoeppey; three brothers, Gerald Kahre of Colorado Springs, Colorado, Dwight Kahre of Salina, Kansas, Dennis Kahre of Colorado Springs, Colorado; and a host of friends too numerous to mention.

“ Betty used to type the Kansas Wesleyan district paper in the basement of parsonage at Topeka First Wesleyan Church. I happened to be with her one day when she was busy typing, she asked me to go upstairs and ask Pastor Garry a question. I made it to the top of the stairs and my hand up to knock on the door when Lorraine opened the door saw me and screamed several times at the top of her lungs. It just so happened that the District Superintendent Ronald Brannon and his wife were sitting at the kitchen table and we all had a BIG laugh! I didn't realize that I looked that scary. You didn't surprise Lorraine without a scream! Our children were of the same ages as the Plummer children and sorely missed them when they moved to Garden City. Betty and I were also close to Pastor Garry and his Wonderful Wife Lorraine ❤️❤️

“ Lorraine (& later together with Garry) were our care givers as kids. They loved, took care of us, and were friends from then on. I still remember Garry being asked to pass the rolls by one of my siblings, and him literally throw the roll across the table. :-) Lorraine introduced peanut butter as a topping to pancakes. They brought such laughter into our home. They brought us into the church family. I am grateful that Lorraine was such a huge part of my childhood and in my adult life. I loved her!!

“ Lorraine was a dear friend and quilting buddy. She opened her home to our quilt group twice a month for several years when we didn't have a place to meet at the church. She and Garry rearranged their living room so that we all had a place to work. She was so talented and fast in putting quilt tops together and teaching all of us many things about quilts. She told us that sometimes she would wake up in the night with a pattern on her mind and get up to start on a quilt. It was always a joy to work with her.

“ Lorraine has been a voice & demonstration of love in countless times. For example, her love for quilting blessed many others. Those with newborns, those who were sick, discouraged or lonely, her involvement in the quilting ministry was an embrace of prayerful comfort. We will always cherish how she loved us, our family & church family. What a legacy she & Garry represent! We dearly love the Plummer family. Pastor Joe & Dawn Marie Colaw
