Peggy was a great friend growing up. Being a bit older than me she kept a good eye on me for my Mom and she was very good at telling me wild and elaborate stories. Of course, I believed them all and was amazed by how much she knew at such a young age. Good times. I have many fond memories of playing games and going on adventures with Peggy. I am very sad to hear of her passing.

I just saw Peggy a while back and she was supposed to come see me and my horses. She always loved the horses and remembered all of mine, even those long passed from when she was a child. It always made me happy to see her, she had such a sweet soul. My sympathies to her family in this time of great loss.

Offering sincere condolences to the family. I am so very sorry for*

*your loss. Death was never part of our Heavenly Father's original purpose for mankind. In fact, in His word the Bible He calls it an enemy (1Cor. 15:26) which He promises in the very near future to do away with (Rev. 21:4,5) At that time tragedies and accidents will be a thing of the past, no one will ever get sick (Isaiah 33:24) and there will be a reuniting, a bringing back to life instead of losing (John 5:28,29) Please allow these words to be of comfort to you and give you hope. (2Cor. 1:3,4)*
