“ Marilyn was one of my two best friends and I will always miss her. I was always so amazed of her witty sense of humor she always made me laugh. I got to know her really well after test driving her 77 orange Corvette and having to tell her some man backed onto it and hurt her baby, she took it like a champ and immediately got the ball rolling to get her fixed back up right away! She loved that car and looked real good driving it. I will always be grateful for our friendship and never forget the good times together. Very sorry for your loss Rick, we will all miss her.

I really hated hearing of my friends passing. Marilyn worked with me at Pantex in Amarillo Texas. What a witty and funny woman she was. Always a smile and grin. May God be with her family during your difficult time.

“ My condolences to Marilyn's family and friends. I am shocked! I will never forget the hard work and fun we had together at the Delaware Tribe. She is too soon gone! She was a wonderful lady with a twisted sense of humor that I thoroughly enjoyed. I will miss your witty presence in this word! I am so sorry for your loss, Rick!
