“ Even now, looking at Janie's picture. A smile comes to my face, and a lump in my throat as well. Janie was ALWAYS so very Kind and always made me feel like I belonged. She laughed with me. Not at me. She didn't ever pay attention to a persons clothes, or shoes, or where they lived. She was Kind to everyone she ever met. She will be one of those people, who only Good and Kind words would be used to describe her.

Our world was a better place while Janie was with us. Now you are an Angel in OUR LORD'S HEAVENLY HOME. My prayers will be raised up for all of Janie's family. You were a Bright Star in our world.

*Sincerely,
Sharon*

“ Janie and I have been friends for over 55 year's. We met on the first day of our freshman year. We just clicked and then we found out that our birthdays were only 2 weeks apart. Although that was the only year we went to the same school we remained friends. We went through a lot of things together and although as the years went by we didn't get to see each other very often we could always pick up as if we had saw each other all the time. Janie will remain in my heart and although she is out of her pain and in a much better place I will miss knowing that I could see her if I was in town. I hope the family will know they are is in our  hearts and prayers . Love you Janie, Debbie and Dale Rice
