“ Dear dad,
Its almost been a year since you left us. Mom and I both have requested that day off, not sure what we are going to do but Im sure we will be spending some time with you at the cemetary. We know you arent there and you are in heaven but it kinda helps us to go there! Lots of changed since you left-I sooo wish you were here to help me fix somethings physically and emotionally...you always knew the right things to say to make everything better. Im taking care of momma and Sierra like you told me to, its rough sometimes when they start missing you and I cant bring you back. I wish heaven had a fone so we could talk!!! I miss you very much!!! Love Kelly Jean

“ Dear daddy,
How the time seems to be passing by so quickly since you left. So much as happened since you left to be with the Lord. Grandpa has left us to be with you and grandma, I hope you all are having a great time fixing things in heaven, and that you all are busy getting things ready for us to come join you one day. Momma is doing a lil better everyday, things still remind her of you, I hate seeing the pain in her eyes, and feeling the pain in her heart. She knows you loved her to the ends of the world, and that you are watching over her each and everyday. You are dearly missed by all. Until that day comes where we all will be together again, I love you and miss you very much! Love always n forever
Kelly Jean

It's been a little over a month since you went to be with the Lord, and I miss you more and more everyday. There isnt a day go by that I dont think of you Daddy. Everytime I get upset I try to think of you and what you would say in the situation. Sometimes it helps and sometimes its more painful. You were always the strong one that kept us all in line. Now, I have to be the one that tries to keep everyone strong and in line...It is a BIG thing to have to deal cause I am no were near as good as you were!!! I so wish Heaven had a phone so that I or others that miss you could call and just say hello and that you are dearly missed!!! I love you daddy
