*Dear Aunt Mildred, I have so many fond memories of you and Uncle Jr. and the fun times our families had together. Although I haven't seen you in a few years, it saddens me to know that you're not there, but I know that you will keep them laughing in Heaven. Thank you for the joy that you shared with all of us. Love, Janis*

*Dear Dever Family, I am so sorry to have read of your loss; please accept my sincere condolences. Something that I have personally found to be of great comfort are the thoughts expressed at John 5:28,29 as well as Revelation 21:4. In these verses we find a wonderful hope for the future of being reunited with our loved ones upon the earth the way it was originally intended--free from sickness, suffering, and death. Knowing this has comforted me greatly and it is my sincere my hope that these thoughts comfort your family as well. Again I am so sorry for your loss. Rebekah*

*I am very sorry to hear of Mildred's passing. I found her obituary by browsing for her so I could thank her. I was a nurse's aide with her at Jane Phillip's Memorial Hospital in the early 70's. I was barely a young adult with a husband and baby. We worked hard, but my world was made so much easier by working with Mildred. She taught me so much about people, the world, and loving patient care! Her plate was so full but she always had a smile on her face and song in her heart. I've had a full & wonderful nursing career with much owed to her sharing and caring spirit. I will endeavor to pass it on. Thank you, Mildred! Your legacy lives! Becki (Gittings) Gibson*
