“ My family became linked with Morris over 40 years ago when he came to the Bartlesville Mid High and presented his poetry. My children have all been blessed by his presence in this world as well, from Kimberley's writing, Tawny's Soccer, mentorship of others and more. Thank you Vivian and the rest of the family for sharing him with the rest of us. You were always the center of his life and I pray you continue to feel his presence as he watches over you. Remember him well and know we are here for anything you need... Pat Ainesworth and family.
