“ *Tommy and family, we so want to let you know how much you are in our prayers and thoughts. Losing a Mom is not easy what so ever as we found out in December, we think about her every day. We pray that you have wonderful memories locked in your hearts of Norma Jean and that you can carry on your family traditions as she would want you to. Your Mom was our Mom's best friend and we know they are rejoicing together in heaven and so happy to be without pain and illness. We pray each day will get easier for you all. Tommy we love you very much and will always be here for you. Love, Rodney and Lu Weller*

“ Norma I am going to miss you so very much. I came by to tell you good bye only to realize that you were no longer here but in a much much better place. You looked so at peace and I am sure you are. Just to think of seeing Jesus and then all the loved ones who have gone on before. I am sure your Mother is holding you in her arms right now..

I wanted to share some of the good memories we made together and then thought that could just be our secret.

Selfishly I wonder who will I call when I am hurting and need a shoulder to cry on.

“ I would like to offer my deepest sympathies to you. I have experienced the pain of death myself. I have lost many who were dear to me. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34:18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
