Family we are sorry to hear of your loss. May the memories of the times you shared together bring you comfort. Allow God, the father of tender mercies, to console and help all of you progress through each day. Please find and share with each other the encouragement found in the positive words of Revelation chapter 21 and verse 4.

Bill and I always joked that I was his "favorite sister-in-law" and he was my favorite "brother-in-law". Both were true. I will miss his humor and jokes even if I had heard them many times before. He loved his family, especially his wife, my sister Kathy. I am thankful that God chose to relieve him of all pain and take him home gently in his sleep. My heart is with you Kathy. Love you so much.
