Aunt Opal loved her family. She was always good to me. A lot of childhood memories as a child hanging out at Uncle Ralph and Aunt Opal's house in the country.

What can I say about this beautiful person I was privledged to have in my life. She was my grandmothers sister in law and always my Aunt Opal. But so more than that she was my friend and my Casino Partner. I was blessed to have her in my life and I will miss her but I know she is where she wants to be. I love you sweet friend and I thank you for always being there for me. Give everyone up there a hug for me.

Aunt Opal you were one of a kind, beautiful inside and out. I loved coming to your house and visiting with you and Uncle Ralph. I remember playing with Tony and all the kids while the grown ups visited. You will be truly missed but I know you are in Heaven with the rest of the family. Hugs to all.

I have many found memories of my Aunt Opal. She used to let me camp with her out at Hulah lake when I was younger. We would fish on the dock. Play cards at night. Once Mom and I moved to Dewey behind her and Uncle Raph we got to be even closer. She was always so caring of me and had such a great memory. She could carry on a great conversation and was a pleasure to visit with. I rejoice in the fact that all the members of our family from that generation was there to welcome her to heaven.
