“ *I am so sorry for your loss. This has to be hard losing your mother right after losing Tami recently. I graduated with Tami. We were in band together. She was a very special, sweet soul. I wasn't able to be at her service, but glad many of her friends, our former classmates, were there to pay their respects. I'm sure both Tami and her mom are hugging each other. Praying for comfort for your family. God bless.*

“ *Phyllis and I worked at Reda Pump. I had no idea that she was married to my 2nd cousin Glenn Ray Rigdon until a casual lunch conversation opened the ladder to the family tree. Phyllis was a lovely, energetic young woman. Glenn's mother Juanita was very happy traded in drag racing for a bride... My sincere heart felt condolences to Phyllis's children, granddarlings, great-granddarlings and other family members*

“ *Phyllis became part of my life some months ago. We gradually became friends as she was my Mother's roommate. I nicknamed Phyllis "Fifi" and she knew it was pure affection in my calling her that. She loved my Mother, they were close friends and spent a great deal of time talking. Fifi was a gentle woman, sweet and kind. I miss her so much! Fly high Angel, I know I'll see you again. I love you Fifi.*
