I haven't seen Randy for over 8 years since I retired from ConocoPhillips. However, I worked with him regularly while there and always found him to be pleasant and easy to work with, and I especially remember his smile. In time I hope you find peace and remember the special person he was.

We had the privilege of knowing Randy as a young boy and a
neighbor. Even then, Randy exemplified dedication, kindness,
humility and patience. We pray for your family, but are so thankful
he is enjoying the true peace and joy God prepared especially for
him. What a reunion there will be!
