“ Rhonda, You have always been my only sister-in-law. You had an innate goodness in you that was many times overshadowed by your tortured mind. You will always be a part of my family. We still make the Easter Bunny Cake every year, and I think of you. Your pictures still live in my family photo albums. I pray you have found the peace you so desperately sought in life., and I pray the pain has stopped. Rest in peace my only sister.

“ Rhonda was my friend and my sister. Sometimes she could be very difficult but she always made sure I knew how much she loved me. Rhonda was a giver her whole life. If anyone ever needed anything, she would be the first to jump in and help. She was a huge part of my life and I'm still not sure how I'll adjust without her. I will miss her smile, her laugh, her attitude, her advice, and especially her love.
