I will miss being able to call you and get direction from you on writing papers,
etc... You always gave some good advice!! I will also miss those scrumptious
dishes you use to cook, I never could duplicate them. Love you, Stacy.

We had in common the effects of Polycystic Kidney Disease, the blessing of
getting a kidney transplant and the victory of raising money for PKD research with
our team at Walk for PKD. I am sad that we will not have a chance to know each
other better.
