I'm so sorry about the deaths of Bob and Judi. I worked with Bob at the Weatherford Daily News and considered him a good friend. I still work at WDN and we still have two of his stain glass windows on display. I even have the pieces that he made especially for me. I will always remember his smile and humor. Judi would come in the office and she was always a joy to visit with.

I wanted to send my condolences to this family. I know none of you. My wife and I noticed a man running back to the trees and felt a necessity to stop. So I was one of the first individuals trying to help any way I could. I am so sorry we could not do more. I went to the service today and was overwhelmed by how great this couple was. It was great listening to the stories and I was glad I made the journey. Again, sorry for your loss.

I served with Bob at the Marine Corps Recruit Depot in San Diego during the early 70s. He was a fine Marine, a solid leader and a great man. We stayed in touch over the years, especially during football season as Bob loved bragging about the Oklahoma State Cowboys. He was devoted to his daughter and granddaughters. I speak for every Marine who ever knew Bob when I say he'll be

missed. Semper Fidelis, Bob Boone.

I am so sorry for your loss. They were both wonderful people. I
worked for Dr Tom Dixon in Weatherford for 30 years and they were
patients, we saw Bob fairly often. He was so proud of his
granddaughters, always had pictures. You are all in my prayers!

May God bless this couple. Another individual and myself tried and
tried to save these two people on that fateful Saturday last week. I
never knew these people but I know God put me in this terrible
position that forever changed my life. If any of the family members
wants to discuss the incident (I was the first on scene and called
911) for closure I would be more share my memories of the incident.
God Bless All of your family. I am terribly sorry, me and that other
man tried our hearts out to save your parents. God Bless you! Col

Burton and I were shocked to see that this was the 'Bobby' Boone
that we knew. I think most of the family will remember my parents
in-law, Victor and Nellie of Mooreland. Loved the Boones and have
wished many times I could see Dr. and Ruth- our love to all your
family in this time of great loss. Norma and Burton

I'm very sorry to read of this tragedy. I only met Bob once when I interviewed for a job at Wellmark. He put me at ease right away. He was the nicest, most gracious man I have met in a business setting. My deepest sympathy to the Boone family.

Dear Ruth and Dr. Boone, I am so very sorry for your tremendous loss. I know your son and daughter-in-law will be sorely missed by all of you. I still miss my dear son Bruce, who's been gone 31 years, but one day I'll see him and his wife again. That knowledge is such a blessing. May God give you comfort in that same hope for your son and daughter-in-law. And may He comfort you with His peace.

I worked in management with Bob for several years at the Weatherford (Okla.) Daily News, he as circulation manager, from 1986 till about 1991 or 1992. I was out of state when the tragedy

occurred and my heart sank when read the names of the victims. Bob was a tremendous guy who was serious about his work but a delight to be around. My dad ran a Conoco station in Weatherford, and he remembers Bob and his brother Richard well from their college days at Southwestern and as members of the Bulldogs football team.
