“ Ron was one of the best Supervisors for Phillips Petroleum Company. It was a pleasure to work for him. He will be missed, but I know he is with the Lord.

“ I am very sad at the sudden passing of my Brother Dean. He was a good Brother. We had some really good times as kids. Even though he was 3-1/2 years older than I, he never minded me tagging along. We spent a lot of time going fishing together even though I couldn't catch any fish at all. He never minded that. We just had time together as Brothers. I will cherish such memories. Dean was known and loved by many. I loved him very much and will miss him. I know I will see him again. Until then, Love you and miss you Brother.

“ I love and miss you so much Papa!!! It is comforting to know that you are at peace and watching over our family.

*"We had a wonderful grandfather,
One who never really grew old;
His smile was made of sunshine,
And his heart was solid gold;
His eyes were as bright as shining stars,
And in his cheeks fair roses you see.
We had a wonderful grandfather,
And that's the way it will always be.
But take heed, because
He's still keeping an eye on all of us,
So let's make sure
He will like what he sees."
