She was the best of friends and the sweetest lady I've known. She was a blessing to all who knew her and she will be remembered in my heart always.

Already missing my sweet mom. I know that she is having a wonderful time in heaven worshipping our Lord, first and foremost. Then celebrating a great family reunion with those that have gone before. If I could write a book it could not hold all the things I learned from her. She was so special in so many ways. It is comforting to know that she was loved by so many.

Rosellen was my very sweet cousin ...the longest living survivor in my Daddy's generation of the Moore family. I was privileged to sit awhile with her to learn a little more about the genealogy of my Moore family. We shared a special bond because we each were given an identical twin sister. She lived a godly life & was a bold witness of the abundant life found in Jesus! I shall miss her very much.
