I work in the Mary Martha garden and Rosemary woud come help sometimes, especially if I had cabbage growing. She said my cabbages tasted just like when she was growing up, not like what you get in the store these days, so I made sure to take her some whenever I could. We always had a good time visiting whenever she would come by. I feel bad I didn't even know she had passed on till today, but she went just two weeks after my wife so I wasn't too up on things right then. Rosemary and my wife never met each other, but they were a lot alike and I bet they are good friends now in Heaven!
