To the family of Sam I wish to leave my condolences for the loss of this fine man. I had the pleasure of working with Sam for several years. First at Malone's and later at Doenges. I will always remember him for his honesty, integrity, and straight forward direct personality. Sam was a fine example to all of us co-workers. He was also well liked by all of us and his customer base as well. Many

*times I directed loyal customers from the sales floor to his office after hearing, "I don't need your help, I've come to see Sam for my car." I talked to him a great deal about customers, and the philosophy he had dealing with them. Sam shared much knowledge and wisdom with me. He was such a good example to all of us in that way. I am a better man having known and worked with him and he will always be remembered for the fine upstanding, and caring man he was. May God Bless and keep you all in this time of sadness and great loss. Alan Beckworth

My husband, We spent 53 years of our lives together and Had many ups and downs. You were my life and I will love and miss you forever. You suffered so much over the past 14 months. I really believed we could beat the cancer, but wasn't to be. I love you, there is a big hole in my heart here on earth that will not be filled until we are together again. I know you are always going to be around me when I need you
