“ March of 1985. I was 14 and Scott was 19 years old. Long Beach Arena in California. 20th row seats, center stage on the floor for “The World Slavery Tour” of the heavy metal band called “Iron Maiden”. The show was being recorded for both audio and video for their “Powerslave” album. It was too hard to find us in the video, but you can certainly hear us yelling our heads off with the other 16,000 people in attendance! The video is on YouTube. <https://youtu.be/XECqZclO1fU?si=xWhkuOQN-VQbZqat>. ❤️💔👉 “Scream For Me Long Beach!” - Bruce Dickinson

January 2021 when we spoke was the start of our lives with you. We won't let go of the memories of what a good person we had in you.

It's been one month today April 6 that we spoke for the last time. I love you and miss you very much. I feel like I lost you twice in your life and I don't know which hurts more. Rest in Paradise Scott. Watch over us and have a good laugh or two as we try to get along without you here. I miss hearing your laugh and sense of humor. Love ❤️ you Mom 🙏
