This is exemplified by reading everyone's tributes to this beautiful young man on Facebook and Twitter, aka Sergio Leone. He was known throughout the Valley as an extremely talented musician and was recognized for his mechanical engineering studies at the University of Texas at Brownsville. He had two bands Vatican Beach and Christ Hair which he was so proud of and played all throughout the Valley. Sergio, we will always love you, and cherish our times and memories together. Most of all we are thankful for the gift of having you in our lives that God gave us for such a short time.

## OUT OF THIS LIFE

Out of this life I shall never take  
Things of silver and gold I make.  
All that I cherish and hoard away  
After I leave, on earth must stay.

Though I have toiled for a painting rare  
To hang on my wall, I must leave it there.  
Though I call it mine and boast its worth,  
I must give it up when I quit the earth.

All that I gather and all that I keep  
I must leave behind when I fall asleep.  
And I wonder often, just what  
I shall own  
In that other life, when I pass alone.

What shall He find and what shall He see

In the soul that answers the call for me?  
Shall he find and what He finds and what  
Shall he see

In the soul that answers the call for me?  
Shall the great Judge learn,  
When my task is through,  
That my soul had gathered some riches, too?

Or shall at the last, it be mine to find,  
That all I had worked for I'd left behind?

Visitation will be held at Buck Ashcraft Funeral Home in Harlingen, Texas from 1:00 pm to 6:00 Sunday June 29, 2014 to celebrate his full 24 years of life.
