Sherry was a friend before she was my boss. It was a pleasure working with her these past 9 years. We shared a love for lemon cookies! After trying several recipes I finally perfected one she said "couldn't be topped"! I'll think of Sherry every time I make them.

Roger and I loved Sherry so much! She was honest, straightforward, humble, driven, hard working, kind, charitable, courageous, and one-of-a-kind. She touched rock-bottom, then climbed to the top. She loved God and loved others, and we will miss her so much! Her funny Cox Card Company cards were always fun and will be missed.

Sherry, sweet precious Sherry...you were such an inspiration to me. You send funny crazy get well cards, you joked about your own illness and mortality, you loved Bartlesville and was such a help to so many...those Grandkids lit up your eyes and you always had something nice to say about your husband . You were there for us in house closings and your job ws never just a job...it was an opportunity to just be you loving someone else and meeting their

needs. You were a one of a kind and will always be missed. Job well done friend.

Sherry will be missed by all our community. She was an example for all of us to admire and follow. From her Vera breakfast trips with husband Bill to her work in Daybreak Rotary and Noon Rotary to the Chamber and the Boys and Girls Club Sherry was always giving. Her Cox cards were a hit with all and she will be missed greatly but not forgotten.

Thinking of Bill and the entire family. Sherry was such a great help to me as a young Realtor, always an encouraging word, ready to help at the drop of a hat and always a smile. She would go that extra mile and then some..... You will be missed.

Sherry impacted so many organizations in our community with her financial generosity and with her energy and enthusiasm as a board member. But I will remember her most fondly for the personal touches of kindness. When my daughter went through a very prolonged personal crisis, Sherry was sending cards of encouragement and laughter long after everyone else dropped out of the picture. Her understanding of how to support people in times of difficulty and her commitment to offer sustained support was touching and inspirational. Oh how you will be missed Sherry! My

thoughts go out to her family and friends in their time of loss.

Sherry mailed my dad a card once a week for the entire duration of*

his cancer treatment. This sort of consistent compassion for others is only a small example of the selfless person she was. It would be hard to find a more giving person than Sherry. Love, thoughts, and peace with the family during this difficult time.

Sherry was my first employer in Bartlesville and a big reason why I got here when I did. She helped ingrain me into Bartlesville. She was my mentor and Rotary sponsor. My heart is heavy for what the community has lost but most importantly for her family and husband. My prayers are with them that they find peace that surpasses all understanding.*
