

Sierra Nicole McIntire

November 21, 2003 - October 9, 2017

Sierra Nicole McIntire of Bartlesville died Monday in Tulsa but her story doesn't end there. At 13, Sierra already loved the Lord and would often say "Nothing bad can get in your heart when God lives there." Sierra is with her Heavenly Father now.

Sierra was born Nov. 21, 2003, in Bartlesville. At the tender age of five Sierra was adopted by her loving parents Mark and DeDe McMillian. Sierra attended Osage Hills, then Jane Phillips and currently was in the 7th grade at Central. She loved her Word of Truth Fellowship family and the many children's activities. Sierra regularly participated in the Christmas program, church camp and volunteered for her favorite activity Pumpkin Palooza held yearly at the church.

Sierra loved to play with the younger children at church and at home. Though she was just 13 she was a loving and caring aunt to her younger nieces and nephews, and more like a sister to her older ones. She loved to draw animals and one day hoped to be a veterinarian.

Sierra is survived by her beloved parents of the home, Mark and DeDe McMillian; her birth parents Vencent and Misty Willis; paternal grandmother Connie McMillan; six siblings, Mark McMillian Holdman, Kendel Catlin, Paddy Catlin, Brandon McMillan Wilson, Suny Emmitt and Dakota Willis; and 12 nieces and nephews.

Visitation will be held Fri., Oct. 13, 10-8.

Funeral services will be held 10 a.m. Sat., Oct. 14, at Word of Truth Fellowship, with Pastor Jim Anderson officiating. Services are under the direction of Carter Davis and the Davis Family Funeral Home. Online condolences and remembrances may be shared with Sierra's family at www.DavisFamilyFuneralHome.com.

It's been 6 years. You were only 13. We would've been 18 and 19 together, we would've graduated together, we would've lived life together. I still think about you, and i still miss you. I remember your summer stories, like when you fell through a window pane and got a knarly scar. I remember the middle school crushes you had, the doodles we did together. As times gone on I think of you everytime I reach an important milestone in my life. I wish you could've been here to live through yours.

“ *Sierra was one of the people I could not wait to hug in church every Sunday! She had a smile that radiated from her heart & she was always so bubbly & kind. She was humble & did not know what social class was all about; she loved everyone! I will deeply miss this Cinderella type of a young lady! I know she is enjoying all the amenities of Heaven & I will see her again!*

“ *Sierra was a joy to have in class. I had the privilege of being her music teacher at Jane Phillips Elementary while she was in 4th and 5th grade. She was smart, always happy and bubbling over with joy. Quick to laugh and give a hug. I still miss my daily hugs from here since she moved on to middle school. Sierra was also a classmate of my son, David, at Central. They were locker neighbors in 6th grade and had science and eastern hemisphere together this year (7th grade). Our thoughts and prayers are with your family that God will comfort you and give you peace.*
