It didn't take long to see why my brother Jim fell in love with you Anne. Your beautiful smile lit up the room as you entered the room. You were a dedicated wife and mother and grandmother which the photos in this video reflects. You now have joined the husband and two sons you adored in Heaven. You have left that beautiful smile for us to remember in each of the four beautiful daughters who are still here on earth and who we all love dearly. We will stay in touch with them and are praying for each of them and their families. my heart is so heavy with sorrow for them.. Sis

“ Coleen, Tina, Corina and Sally, I am so deeply sorry for the passing of your Mom. I have so many memories of your Mom. From our childhood years, to the few times I ran into her at Meijer and had to reintroduce myself. May your love and memories help you all through the moments of grief.
My thoughts and prayers are with you all.

“ Just beautiful. So many precious photos. Standing out to me though is that smile. She always lit up the room with her smile. I know you'll miss her like crazy, but the Word of God says we will be reunited with our loved ones again. Hold tight to that, and Him. Love and Prayers to all of you.
