

Teresa Yvonne Gurule

March 14, 1952 - December 8, 2021

Teresa Yvonne Gurule, 69, of Bartlesville, moved to heaven on Wednesday, December 8, 2021 at 5:30 p.m. in Bartlesville, OK.

Terry was born March 14th, 1952, to Eugene Frank Abbott & Betty “Tink” Loveday. She was born on a crisp Friday morning in Chicago, Illinois. Shortly after, the family settled in Knoxville, Tennessee, for a small portion of her childhood before traveling across the United States and settling permanently in Azusa, California. She spent her youth bouncing back and forth between the two states, spending her summers in Tennessee on the family farm with her Aunt Cindy and grandparents, Walker and Polly Abbott. Her time there was mostly spent playing with Cindy and tending to the animals. She especially loved the goats and her sweet horse, Smokey. She genuinely enjoyed helping with the chores, except for plucking the feathers off the chickens and being terrorized by her grandmother’s “mean ol’ rooster.” Her father tragically passed away when she was 7 years old. Years later, her mother remarried to Orton “Pete” Peterson and he helped fill the void in their hearts and raised Terry as his own daughter.

On her mother’s birthday, May 23rd, 1969, her first love, Sean, was born. Six years later, July 17th, 1975, her second love, Randy, entered this world. She made the tough decision to move to Oklahoma to start fresh just a few years later, in hopes to provide a better life for them, and most who know her would

say she's a certified "Okie." Terry was a "jack-of-all-trades." She could fix any and everything that was broken. She was a talented musician with a beautifully powerful gospel voice and a special love for the piano, though she could play a few other instruments, as well. She came from a long line of musicians and instilled and cultivated those same talents in her own children and grandchildren. She was a gifted poet and an artist. Her artwork could be found displayed across business storefronts all over town during the holidays. She was a skilled photographer. Some of her portraits have been displayed at Woolaroc after winning photography contests. She loved taking photos of her family, clouds, fireworks, and ESPECIALLY babies. She's even got an album titled "safari" of pictures she took with her camera off the TV from Animal Planet. She was always the lady behind the camera. She was a traveler and has been to Israel 11 times, Turkey, Italy, Greece, and more. She LOVED Israel. She was an avid jewelry collector and loved finding new pieces of "bling" to show off. Wearing lipstick was her trademark and her lips were always painted in beautiful shades of red.

Terry was a member of The Light Church Fellowship for 40+ years. Any who knew her knew her love for God. She was a faithful servant and never neglected to praise Him. She prayed Psalm 91 every day over her family and herself and could recite the entire thing by memory. She had a servant's heart, always putting her loved ones before herself. She truly enjoyed giving her time to her family and friends.

Terry was preceded in death by her father, Frank Abbott; her aunt and uncle, Cindy and Butch Carnes; and her grandparents, Walker and Polly Abbott. She is survived by her parents, Pete and Betty Peterson; her brothers, Frank Abbott and wife Sherry, and Dean Peterson and wife Gena; her loving sons, Sean Tafoya and fiancé Sonia Bordelon, and Randy Gurule; her granddaughter, who knew her as mom, Lacey Reeder and husband Mike; grandchildren, Jacob Dolt and wife Myranda, Haley Gurule and husband

Yunior Sanchez, Kylee'a Tafoya, and Ada Gurule; great-grandson, Lane Reeder, who she lovingly referred to as her "Smoochy." She was also survived by her bonus family, Kimberly Hix and husband Shane, Sharon Mullen, Ron Johnson, Vera Royce, Christopher Dolt, her church family, and a host of aunts, uncles, nieces, nephews, cousins, and very dear friends.

Terry was kindhearted, witty, and so silly. Her family has truly cherished their time with her and will continue to honor her with their lives. They know she is in Heaven rejoicing in the presence of Jesus Christ and is finally home where peace and joy abound for eternity. She is already greatly missed.

My mom was able to spend fewer than thirty minutes with my youngest daughter Ada Belle Gurule in ten years.

She would always sing You Are My Sunshine to me when I was tiny and then to Ada Belle when the time was available.

She set the example for remaining in the vigil for my sobriety, never giving up on the good fight, and praying that all differences would mend between mothers and fathers so all family members may share in this precious yet little time we have with our sunshines.

Lastly, my mom exemplified to me how to live like a father, fight like a mother.

I love you so much, mom.

You are my sunshine, too.

Randy and Brenda Gurule.

To all visitors herein, my name is Randy Gurule, I am the youngest son of Terry Gurule. My father passed tragically in 2001. Through the same fortitude my mother taught me did I persist in giving my father a memorial highway at the two miles east on Highway 20 and Highway 75; The PFC Richard Tafoya Gurule Memorial Highway to honor his time here.

To honor my mother's time here I penned the above song The Sunshine Song regarding time lost and missed with our children.

It features the breaths of Father Time breathing away yet breathing a way and my Little Sunshine sings harmony at the end.

*To honor my mother and father please support sobriety and/or shared parenting initiatives. To find out how be welcome to contact me.

“ Teresa (or Sister Terry as she was known to us) was a blessing to our lives. She actively participated in our church for about 35 years. She was never too busy to set aside the activities of her personal life and lend a hand at church doing whatever we asked her to do. Together, we traveled to various parts of the world for church ministry and seminars, painted scenery for Vacation Bible School, decorated the church for Christmas, delivered meals to the hungry and household items to help people who had lost their homes and so much more.

The scripture says, "For God is not unrighteous to forget your work and labour of love, which ye have shewed toward his name, in that ye have ministered to the saints...." (Hebrews 6:10)

We can only imagine the abundant entrance into heaven that Sister Terry has experienced.

Praising God for His faithfulness to his word,
