“ Terri was always one of my dearest friends from Ochelata. My memories go back to when I was 16 and got my drivers license. Terri and Susie Sears (Reese) were a year younger but I would pick them up and we would cruise Bartlesville from sonic to sonic all night. It was always wonderful coming home when I would go to church with my mom and dad and get to catch up with Terri. She will be missed greatly by me

“ I worked with Terri for the last 20+ years We helped each other and talked each other through a lot of things at SWBT/ATT over the years. I always felt better after a conversation with her. I loved that she started counting down to Christmas in January each year. We laughed at and with each other a lot and I will so miss her and her laugh. My prayers are with the family. I know how much she loved all of you!

“ Terri and I graduated from Caney Valley High School together. She was such a great friend. I hadn't seen her in many years but were still good friends on Facebook. As I was praying for her during her stay in the hospital, I could hear her laugh from the old days. Goodness, she had a contagious laugh. I'll miss her very much. Praying for the family during this incredibly difficult time.

“ I am Terri’s cousin. Her dad was my mom’s brother. A memory of Terri that always makes me laugh was a time we were riding around in her family car and she was making the car rock with shifting the transmission gears. Her parents would have died if they had known but we had a great time and a good laugh! The things I will miss and remember most about Terri are her cheer and her smile. The thing that I will regret the most is not staying in touch. Rest In Peace Terri and love you! —Diana Quinlan

“ I knew Terri from working with her in the RCMAC at SWBT/AT&T. She was an amazing lady. She was always glad to help with anything and had the sweetest personality. After I left RCMAC due to it moving to KC MO, I worked a few years later in the same building with her when I found myself in Engineering. She was loved by so many... it's sad to think shes moved on to the next adventure already. I benefitted greatly by knowing her. Prayers to her family because I know it will be hard to be without her. “ Terri was a dear friend of mine at AT&T. In 2003, our department moved to Kansas City. Terri and I were not in a position to move. We both had to turn in our IDs and had our exit interviews on what was supposed to be our last day there. After we got home, we each got a phone call from our boss telling us we had job offers to stay in Tulsa. Through that time, we became even closer friends. We used to save 4 hours of our vacation time from the previous year to take off the last Friday afternoon in March and go to AQ Chicken in Springdale, AR. We had a lot of good times, and "counseled" each other through some rough times. I loved her smile and her laugh. And when she talked about her nieces and nephew (and then the greats), she had a sparkle in her eyes. I will greatly miss her. I am blessed to know her. Praying for all of you during this difficult time.

“ I'm so sorry to hear of Terri passing. She touched so many people with her kindness & caring. I enjoyed working with her at AT&T & getting to know her. She was who I'd go talk to to calm me down if I'd get too stressed at work. She would remain calm & let me rant then offer me candy, lol. Every time we would run into each other, either in Ochelata or Bartlesville, we would greet each other with "Hello Terri Toalson!" & "Hello Debbie Lawson!". I'm going to miss our running into each other. Praying for comfort for all her family and friends.
