I ran around with Kieth when he lived in Webb City. He was a good guy. Had a fast Firebird when I meet him. I will miss him and the times we all shared

Couldn't count the hours spent between his shop and Westside body shop through the years! Cooking egg rolls at the Nan King at two in the morning! He and Wes are probably arguing about something as I type this 😂 Will miss Keith! Miss em both! Sad news for sure! Rest well big boy! Jim

I was only 10 years old with my nephew. Keith was born. He never walked. He started out running and he never quit until Thanksgiving morning 2024 I don't think there was anything he couldn't fix if he set his mind to it. RIP sweetheart, you are missed. Say hi to your mama for me.
