“ Greg was one of my favorite customers at Caseys in Dewey. I am so sad and very sorry to hear the news of him passing. We recently shared some interesting stories. He actually borrowed some paranormal equipment from me. He was very interesting and I enjoyed talking to him when he would come in. We were the same age. He mentioned his family several times. I could tell he really loved them. My thoughts and prayers are with his Parents and siblings especially  
Right now. I hope you can find some peace and comfort soon.  
Sincerely

“ Im so sad to hear this. Greg was a very nice person. I loved his witty sense of humor. He cracked me up. We went to elementary school together. We worked at McDonald's together for short time in early 90s. Haven't seen him in years but everytime I had run into him, it was like no time had passed at all. My thoughts and prayers are with his family and friends. Im so sorry. 🥺💚
