I worked with Tucker for many years as the outside public relations person for several divisions of Phillips. Our company, G+A, was based in NYC. We all said that Tucker was the best client any agency could have. He was creative, fair, honest, treated us very well and was respectful to all. It was a pleasure to work for him...actually...work with him. With condolences to Janice and the family, Steve Cooper

Janice and family, I am so sorry for your loss. Tucker was one of the best people I have ever worked with. He was a consummate gentleman, fair, honest and fun to be with. I worked with him for many years, played tennis and golf with him numerous times. My regret is we lost contact over the years. My thoughts and prayers are with you all.
