“ *Every summer my family would load into the car and head for Nebraska to visit relatives. I usually saw my grandmother and grandad for one day, then I would land at Aunt Unabelle's house. This was a whole new world for me and I loved every moment of it. Marcia and the boys and I would get into all sorts of trouble and Unabelle would just shake her head and go about farm business. Such good memories!*

*I visited with UnaBelle after my mom, Everal, died and I felt like I was talking with mom again. I know how you are all feeling right now and my heart goes out to all of you. We were all so lucky to have had her in our lives..*
