“ *Your dad (and mom) had such a tremendous spiritual influence on my life as my pastors twice in my life (at Altamont and Ochelata). He lived out the Good Shepherd example. I especially remember one sermon that forever changed my life, "The Sin of Ingratitude." While I don't remember each of the points, I recall that it was based on the story of the lepers, and in his gentle way impressed upon me the importance of a grateful heart. He is responsible for our membership in the Bible Holiness Church. I wish I had let him know these things while he was alive, but he is getting his rest and reward now. -- Sheryl Thurman*
