While I hadn't seen her in years, I have sweet memories of times spent with "Ganga" and the rest of the family. I always felt she welcomed me as part of the family when I would tag along with Staci to family get-togethers. You are all in my thoughts and prayers.

I went to church with Jo at Oakhurst Assembly of God in 1950 our Pastor was H.A. Brummett, after he left I lost contact with Jo. After a few years Bro. Burmmett came back to Tulsa, set up a tent and started Red Fork Assembly of God, Jo and I were together again. At that time she lived on the Sand Springs Line and went to Central High School. I spent lots of Sat. nights at her house, Bro Hale would help us with our Sunday School lessons, I went on campouts with her family. I don't know if she ever thought about the time we floated on an air mattress across a creek so some of the boys could jump from a rope that was on the other side (we couldn't SWIM) scary!! to think about now, we were baked, that was the first/last time to get a sun burn that bad. She had a lot of friends including my husband Roy, she introduced us in June of 57 and we married in Oct. of 58. (memories) I'm going to miss Jo, she was a joy to know and fun to be around. I pray God's Love, Comfort and Blessings to each of the family, We love you all..

Jim You do not know me but as I read of Jo's life, it could have been my wife's life. She is much like Jo. We married within three months of you in 1958 and also have 55 years of marriage. You have my deepest condolences on your loss. Cliff Schornick
