“ Nobody could have guessed that we seen each other at Wal-Mart the day my brother passed away and we told each other we loved each other nomatter we had not been talking for 7 months and I am to blame because of personal problem in my life bit I know God gave me an opertunity to let him know I was wrong and say goodbye. If I would have known that it was our last meeting I would not be writing this post. I love and will always miss my brother hope he knows that. And if there's anything I can do for any family members I'm at your service . That goes for Danny and Lawrence and his children he never have up on me now i owe you for life. You need me call I'll happily walk to see you.
