“ I met Wil in 2017, great man. We were friends and weight lifting partners. He met many of my family and friends. Wil instantly connected with people with his charm and charisma. A mutual friend, Eric Sofian, played football with Wil at Barnsdall High School and said he was a great football and basketball player. Wil loved his Welsh Corgi mix dog Rex. He took that dog everywhere. He told me, "With Rex and me...it's a partnership". Prayers to his family, his Barnsdall classmates, teammates and friends.
